

Settimana Motoristica Ennese

Autodromo Pergusa, Sicily

Friday 17th, Saturday 18th & Sunday 19th May 2024

We are very much looking forward to our trip to Sicily and here are the detailed final instructions for the race meeting and the celebration events that the organisers have arranged on your behalf. Il Presidente, Mario Sgrò and his team at the Autodromo Pergusa are looking forward to welcoming us to this, their first major historic race meeting, and we hope that you will all enjoy the planned festivities as much as the racing at this totally unique circuit.

Circuit Access, Directions and Parking

Attached is a comprehensive document detailing the different access routes to the circuit depending on whether you're in a private car or transporting race cars. All private cars will need to take the route **Circuit Access A** and park at the Circuit Administration, then walk via the pedestrian bridge over the circuit to the Paddock. Trucks, motorhomes and team vans with trailers will need to take route **Circuit Access B**, crossing the circuit via the main gate to access the paddock and garages.

Note: For those travelling from Catania, the main Enna exit from the A19 motorway is not currently open. Follow the diversion signs for Enna to exit the motorway.
