THE INTERNATIONAL ASSOCIATION FOR
OWNERS & DRIVERS OF HISTORIC GRAND PRIX CARS

Annual Lunch and Prizегiving

The Royal Automobile Club in Pall Mall, courtesy of Member John Clark, provided the venue this year's Annual Lunch and Prizегiving on Friday 7th December. We all feel very much at home here now and, despite a slight mismatch in the designated vegetarian starter!, the food and service was exceptional. However, it's the guests that make the event sparkle and you certainly did that extremely well. A few regulars were missing... Classic Team Lotus's own festive get-together clashed but they were keen to be part of the event and helped by contributing to the drinks reception in the Committee Room. Guy and Maria Plante were already sunning themselves in Barbados but did send a 'wish we were with you' message. Charles Gillett - making a good recovery from his accident in Spa - felt that the Nash-bash was slightly more manageable as it was closer to home but would have loved to be with us. On the other hand... Nick Topliss arrived direct from South Africa with Sarah Austin. He was concerned that there might have been problems with the flights. And Julia de Baldanza was happy to find herself in the UK and able to join us at the last minute. We hope you had a good afternoon and please do put the date - Friday 6th December 2019 - in your diaries NOW for next year's lunch!
